

Warrior God to Warrior David: I'll Build Your Bloodline, My House.. Via Sons!

God the Lord of the Armies to David the Warrior King at God's Command, tells Nathan David's son -- when David complains that he has a nice house but God doesn't, 2 Samuel 7 -- God tells Nathan to tell David, 'I WILL BUILD THE HOUSE'. House of Stones and Blood(line), to depict Blood Shed On The Cross. God never says anything *negative* about Blood to Nathan, 2 Samuel 7 (= 1Chronicles 17). But David and Solomon both focus on 'the Blood', in 1 Chron 22:8, 1 Chron 28:3, 1Kings 5:3. *Yeah, for David's the Man of Blood, at God's Command! The man of the Bloodline promised ever since Genesis 12, 15, 17 to.. Abraham! So the Man of Salvation will be Davidic, 2 Samuel 7!*

Note 1Kings 5:3. Solomon explains: since *David had to spend all his time warring, God awarded Temple building, to Solomon. Aha. Then God is NOT punishing David for warring, is He?*

Yeah, the Blood the Blood the Blood. Blood on the lintel at first Passover, so the Death Angel wouldn't kill the firstborn in the House. Blood from the foreskin shed to signify the Blood Covenant made with Abraham. Blood shed to defend Israel from those who wanted to kill her. Blood of the enemies all over from Dan to Beersheba, at God's Command. God, the Lord of the Armies, Adonai Tsabaoth. Hosts of armies. His Hosts at Second Advent, Revelation 20, when we Church return with Him. So to rescue Israel from the hosts then assembled against her at Har-Megiddo. But we don't do the killing then. Only the Lord Himself does it, Isaiah 63:1-10. Blood as high as a horse's bridle, when He does it. From Dan to Beersheba, length of Israel, 180 miles.

But isn't Christ the God of Peace, Isaiah 9? Yeah. Peace comes from successful warring, and that is why gun control is bad. You must learn *how* to war, in order to GET peace. War with your circumstances, war with your own soul wanting to do the wrong thing, war with other souls who want to take your property or family or nation. And you must TRAIN, in order to do that warring properly. God the Lord of the Armies (not 'hosts', Hebrew *tsabaoth* means ARMIES, just as the title 'numbers' for that Book means *numbers of troops*), awards David the Warrior King, a BLOODLINE, because at God's Order -- unlike Saul -- David was *willing to kill the enemy as God commanded* via the priest using *Urim and Thummim* (supernatural stones) on his robes.

God made David fight 14 years, having first told him as a teenager, that he would be king. Then, 14 years later, he was crowned at Hebron. But in between, he had to fight Goliath, fight for Saul, then Saul got jealous, so David avoided Saul and fought the Philistines -- *for other Philistines hired David as a mercenary against their rivals*. Thus David fought for Israel's freedom, *without fighting Saul*. Note that distinction: there's a boundary where you do NOT fight enemies.

Finally, Saul dies at the Battle of Mt. Gilboa on his own sword, and David becomes King at Hebron -- *1050 years from the birth of Isaac. So God timed all that.* Paul stresses this timing in his meter of Ephesians 1:3-14 (see my PATU video playlist, http://www.youtube.com/playlist?list=PL1by_xPlih3fj_mckYoeN2TCpVlaMztdg). So it's a big deal. *Yeah, the world would have ended four years later, had David not fought and won in time!*

So gun control seems like a small thing by comparison. But think: you can't prepare for heaven if you don't have a Bible. You can't prepare to defend yourself, if you don't have a weapon. In Judges, the Philistines and other Greek sea peoples PREVENTED the Jews from having the right materials to make weapons; so they were perpetually prey to domination. So you see: *Bible says gun control is bad.*

House of The Man Of Blood. Bloodline. Shedding Blood. Warring. Oh, *so God is playing on the Exodus and the Cross*, when He says to David, 'you shall not build my House because you are a man OF BLOOD -- your SON will do it.' *Yeah, Son of God builds a house for Father, Matthew 16:18. Spiritual Blood now. Shed for our sake. So we become His 'blood', 2Cor5:21; when we believe, John 14 goes into effect, Royal House Of God Gets Built. Church. Christ Royal House of David, the other Kingdom He owns, built by means of Blood Shed to Fight For Freedom for Israel to exist, so that Temple Can Be Built To Signify Peace by King Peace aka 'Solomon' (= reconciliation, peace, prosperity). Get the puns?*

So this video pair explains that backdrop, which ties back to Moses and Psalm 90, Deuteronomy 32; for 2 Samuel 7 is God's promise to DAVID, *owing to Israel's rejecting Christ as King of Israel*, 1Samuel 8 through 12. So the video pair summarizes 'flow' of Psalm 90, Deut 32, 1Samuel until 2Samuel 7, plus their tandem passages in 1Chronicles 17, 22, 28, 1 Kings 1-9; for those passages 'explain' what David and Solomon meant, in 1 Chron 22:8, 1 Chron 28:3, 1Kings 5:3.

Yeah, Man of the Bloodline Now Rests While His Son Does the Work. God of War awards his king of war with .. a HOUSE OF STONES AND SONS, culminating with the Son of God, from whom Living Stones will be built, Matthew 16:18, John 14, John 17:20-23, 1Peter 2:5 and 9, Ephesians 1:3-14, Ephesians 2. All to fulfill His Eternity Past promise to Christ in Isaiah 53:10, His Promise to Abraham in Genesis 12, 15, 17; His Promise to Moses in Numbers 14 (offering to start over the bloodline with only Moses); most of all, His Promise to Warrior David, 2Samuel 7, repeated in 1Chronicles Chapters 17,22, 28, 1Kings 5. *Heh.*
